Drabble

Author's Notes:
TW: rough sex-rape.

I remember you were close.

I remember how you would hug and kiss and cuddle.

I remember your tired blue eyes as you went outside, bringing the redhead cigarettes.

And I knew you had fucked.

I will never forget the day I overlooked at him skull fucking you. He was surely rough.

I will never forget the day I heard screams and cries as I entered the house.

I will never forget the sight of you bleeding and begging him to stop.

And Dave got beaten. And fired.

30 years now, you are actually getting love and affection.
From me.
